

## Part-Time Additional English language

Welcoming you to join our team, and our school The Grange Institution.

Our campus spans over a lush 3-acre plot of land as we recognize that the rich outdoors provides a refreshing learning extension of the classroom for our students. The teachers take advantage of the rich eco-diversity and serene outdoor environment to deliver unique learning experiences for our young students aged 3-12 years old.

The Grange celebrates the individuality and uniqueness of every student and seeks to bring out the best in them. We do this by providing a dynamic and creative environment, inspiring excellence, and developing respectful, responsible, and innovative members of society.

The Grange Institution is looking for an active, fun, enthusiastic, and passionate expert.

The successful candidate will be resourceful in delivering an engaging EAL programme.

- To plan, write and teach an EAL teaching curriculum.
- To manage class preparation for lessons with clear objectives for all lessons and units
- Develop and create course materials to address reading, listening, writing, and speaking for Primary aged students
- Develop principles of grammar - through creative and engaging games and activities
- To help and support students both in and out of the classroom.
- To help support students with extra English lessons in the student's classes.
