

Part-Time Information and Communication Technology (ICT) in Education

Welcoming you to join our team, and our school The Grange Institution.

Our campus spans over a lush 3-acre plot of land as we recognize that the rich outdoors provides a refreshing learning extension of the classroom for our students. The teachers take advantage of the rich eco-diversity and serene outdoor environment to deliver unique learning experiences for our young students aged 3-12 years old.

The Grange celebrates the individuality and uniqueness of every student and seeks to bring out the best in them. We do this by providing a dynamic and creative environment, inspiring excellence, and developing respectful, responsible, and innovative members of society.

The Grange Institution is looking for an active, enthusiastic, and passionate expert. The successful candidate will be resourceful in delivering an engaging ICT programme.

The **ICT/EduTech Teacher** is to help learners achieve consistency and adequate fluency in computer technology.

- Teach and conduct coding, STEM, and technology-related classes and programmes.
- Develop and curate curriculum resources
- Oversee and train students in the preparation of coding & robotics competitions.
- Mentor students into passionate and curious individuals in technology.
- Adopt a supportive classroom approach that facilitates positive learning and development
- Encourage children to express their own personalities and thoughts through creative process
- Provide quality feedback on students' development progress in Parent Teacher Meetings
- Participate in campus events including computer competitions, and school enrichment classes.
