

## Part-Time Japanese Language Teacher

Welcoming you to join our team, and our school The Grange Institution.

Our campus spans over a lush 3-acre plot of land as we recognize that the rich outdoors provides a refreshing learning extension of the classroom for our students. The teachers take advantage of the rich eco-diversity and serene outdoor environment to deliver unique learning experiences for our young students aged 3-12 years old.

The Grange celebrates the individuality and uniqueness of every student and seeks to bring out the best in them. We do this by providing a dynamic and creative environment, inspiring excellence, and developing respectful, responsible, and innovative members of society.

The Grange Institution is looking for an active, fun-loving, enthusiastic, and passionate language expert.

The successful candidate will be resourceful in delivering an engaging Japanese Mother Tongue Language programme.

- As the Japanese teacher, your goal is to help Japanese Mother Tongue Language Learners to achieve independence in their learning.
- Provide instructions to meet students' learning objectives.
- Create the **Japanese Mother Tongue Language curriculum** for The Grange Institution
- Delivering lessons through proven teaching strategies and techniques
- Evaluating each student to identify their language needs.
- Teach students phonics recovery, reading, writing, speaking, and listening in Japanese Mother Tongue.
