

## Part-Time PSPE Teacher

Welcoming you to join our team, and our school The Grange Institution.

Our campus spans over a lush 3-acre plot of land as we recognize that the rich outdoors provides a refreshing learning extension of the classroom for our students. The teachers take advantage of the rich eco-diversity and serene outdoor environment to deliver unique learning experiences for our young students aged 3-12 years old.

The Grange celebrates the individuality and uniqueness of every student and seeks to bring out the best in them. We do this by providing a dynamic and creative environment, inspiring excellence, and developing respectful, responsible, and innovative members of society.

The Grange Institution is looking for an active, enthusiastic, and passionate expert.

The successful candidate will be resourceful in delivering an engaging PSPE programme.

- Plan and conduct effective lesson plans to teach physical education to Preschool and Primary students.
- Support and enhance students' understanding of mental health, physical exercise, and general safety.
- Preparation of Lesson plans and Teaching Materials.
- Coach students in ball sports such as Badminton, Basketball, and Soccer with a range of strategies to build effective sports skills.
- Be responsible for sports equipment.
- Coordinate the school's enrichment-curricular activities.
- Participate and organise Sports Days and other school events as assigned.
